Title I Parent and Family Engagement Plan Summary

Dear Parents,

Thank you for taking the time to read our Parent and Family Engagement Summary. Below you will find brief summaries of how we plan to support parent and family engagement, as well as how Florence Unified School District will support school, parents and families.

Engaging parents in the education process is essential to improve academic success for students. Education is a responsibility shared by the school and the family throughout the student's school career in our district. Florence Unified School District will foster and support active parent and family engagement so that schools and parents work together as partners in educating children. Thank you!

- Use Title I funds to support parent and family engagement and involve parents in deciding how these funds are used.
